To All Sheet Metal Workers Local 80 Signatory Employers:

This letter is to remind you that, effective with December 2015 work hours, Local 80 Signatory Employers must submit National Benefit Fund contribution reports and payments to the Sheet Metal Workers' National Benefit Funds (NBF) online through the NBF Internet Payment System (IPS) accessible at www.smwnbf.org.

Employers must continue to submit contribution reports and payments to the Local 80 Fringe Benefit Funds through BeneSys. BeneSys is in the process of updating the Local 80 Contractor online remittance portal and the Local 80 contribution forms (Excel and PDF) on the SMW Local 80 Contribution website to meet your needs in time for the reporting of December 2015 work hours. For more information, log on to

This administrative change does not have any effect on an Employer's obligations under its collective bargaining agreement, including obligations to post a security deposit or a surety bond. Payments to the Local 80 Fringe Benefit Funds continue to be due as set forth in the collective bargaining agreement.

For further information regarding the payment of contributions directly to the NBF, refer to the letter from NBF that was mailed to you by NBF and was attached to the September 24, 2015 e-mail communication from SMACNA Detroit. You may also contact the NBF directly at (703) 739-7000 or www.smwnbf.org. You may also contact SMACNA Detroit at smacnad@smacnad.org or (248) 649-5450.

For further information regarding the payment of contributions to the Local 80 Fringe Benefit Funds through BeneSys, please contact the Fund Office at (248) 641-4980.

Sincerely,
